## **Safety and Health Committee**

### **Minutes of meeting held September 30, 2024**

The Safety and Health Committee of the Maryland Fire Chiefs Association held a meeting on September 30 via Zoom.

Members of the committee present were

David Lewis, Chairman  
David Black  
Joe Chornock  
Rhonda Cohen  
Dick Devore  
Dave Reid

The meeting was scheduled to review the final draft of the October issue of Back Step Talks. A few additional edits were suggested, and the draft approved for distribution on October 1.

The next issue (Series IV, Issue 1, January 2025) will conclude our review of the 16 Firefighter Life Safety Initiatives with a review of FLSI's #14, 15, 16. Dave Reid will author the summary article, and the content will include one (or more if needed) articles on each of the featured FLSI's. Committee members are asked to review the FLSI's and suggest (and volunteer to author) an article for the next edition. This will be discussed at our next meeting, moved back to November 4 due to travel at the end of October.

The committee will meet again (via Zoom) on Monday, November 4, at 7pm. An invite from the Zoom account will be sent out prior to the meeting.

Thanks again for everyone's continued support and participation.
